A Message from the Grand Knight

Dear Brothers,

I am often in amazement at how this council gets it all done. The Fall Festival was another huge success and a big Thank you goes out to the many brother Knights in our council who stepped up and volunteered to make it happen. We held the soccer challenge in the corner of the parking lot, because of the new grass on the ball field. Joseph Wolleat and Jim Robinson ran the soccer challenge and made it a great success.

With all of our personal commitments we have with family, church, work, social and the Knights our council brothers find the time to support the many worthy causes the Knights of Columbus supports. The fraternity I see in our council is incredible, but I have to imagine there is some brother Knights who come to their first meeting or charity event and are left wondering what to do. Do you remember the first time you went to your first activity such as that first fish fry or crab feed to work and maybe felt a little unsure of what to do? It is our duty to help the new comers at their first meeting or charity event. No one wants to stand around with nothing to do, because our time is valuable. I want to urge you to reach out a little more to that new Knight and ask if they have any questions. I believe that if we help the new Knights early on, they will feel valued and appreciated at all of our events and in turn they will want to keep coming back. In reality we compete for the time of all our brother Knights, and every one of our brother Knights should know their time is appreciated. Thank you, for your continued support in this great council.

P.S. Check out our upcoming events listed on the last page of this C&C. Also, all of our events are included on the council calendar located on our website.

Cary Wright
Grand Knight

Vivat Jesus!

Council Website

It has come to my attention that there are some bits of information about the Knights of Columbus that are either not disseminated or are sometimes misunderstood. One of those is when a brother Knight moves out of reasonable commute distance to our council. Quite often there are questions about transferring to another council. This is often confusing, but a transfer (whether in or out of the council) does not affect our Membership Recruitment Goal and therefore is not a bad thing.

When you move away from our community, you decide whether you remain a member of our council or transfer to one near you... You will remain in our council until you do transfer, which is accomplished by contacting the local council and filling out a form 100. This is always a tough thing to explain and quite often misunderstood. But, as long as you would like to remain in our council, you are welcome here. My personal feeling has long been that if a member would be more likely to be an active member, then he should transfer to the council that works best for him. So, it is totally up to you. Find the local council and check them out – see if it would be a good fit. Another point you might not be aware of, you can attend their meetings as a member at large (without transferring into their council) as long as you have your current membership card (which Tim will continue to mail to you as long as you continue to pay your dues). You would be a guest, not a voting member, but it would give you an opportunity to check them out. This could be especially good if you have more than one council to choose from."

I hope that this has cleared up any misconceptions about transfers. If you have other questions about the Knights of Columbus or our council, send them to me at webmaster@kofc7528.org and I will try to answer them in a future edition of the Cross and Compass. If I don't know the answer, I will try my best to find out.

Kevin Buck, PGK
Webmaster

JACKETS

A couple of people have asked when I am going to order more jackets now that fall is coming. If you are interested in a jacket please let me know. We need to order at least 12. As soon as I know how many are interested I can get pricing information.

If you have any questions, please call me or email me at joepenwell@comcast.net 253.941.6339 home 253.394.1708

Greetings fellow Brothers!

Time is flying by and looks like we are off to a great start this year! The Fall Festival was a great success! The Soccer Challenge was held that day as well and that had a great turn out. A total of 14 kids showed up to do the penalty shots! Thank you to all who has helped with all of these fine events!

This Saturday, October 2nd is the Blue Mass/Spaghetti Dinner. This is to honor all of the law enforcement that put their lives on the line every day to keep our neighborhood safe. I hope to see many brothers there to help out to make this a great event! If you have any questions or want to help Joe Penwell is the man to contact.

The Art Auction is fast approaching, that is on Friday October 15th. At the business meeting Ken Baune stressed that we need to start selling tickets so we can make this a successful event. The more people we have, of course the better. Contact Ken if you have any questions about the Art Auction or want to help out in any way possible to sell tickets. I know he has flyers and posters if anyone knows a good place to put them up so we can get as many people as possible to be there.

The Nativity House is on Saturday October 16th. Sig Hess is the man who took charge of that this year and he is doing a fine job. I know he is always looking for brother knights to help him with that.

I'm glad to see this year begin because personally, I have been having a blast getting to know all of you fine gentleman over the past year or so and I am always looking to the future to do fun activities with you all.

If anyone has ideas or suggestions don't hesitate to email me or call.

Vivat Jesus!
Joseph Wolleat
Chancellor

Vinyl Gymnasium Flooring

In this coming year we have a great opportunity to give an item back to our parish that will have a long term and lasting effect. At Kennedy High schools and many schools when they want to hold an event they roll out vinyl flooring to cover and protect the beautiful and expensive hard wood gym court. This vinyl flooring is typically stored by rolling it up onto a rolling rack. If our parish owned this valuable tool we would be able to use the gymnasium for more events. If we make our targeted budget goals we should be able to purchase and donate this item back to our parish.
