A Message from the Grand Knight

Knights

As I reflect on the summer, fall and winter training meetings, I am constantly reminded of how the Knights want to evolve as much as possible in order to attract more men and to include the younger men in our activities. At a recent meeting, our state Deputy John Wallace reported that we are seeing an increase in the younger population joining the knights. Having a younger knight population is extremely important for the longevity of the knights. A new brother knight in our council might ask themselves; "how does one find time with work, family and personal interests to give back?" If you are one of our brothers who has had trouble making it to any of our events, we understand and appreciate the fact that you are a current member. Your current membership allows us to be a strong council. We also want you to be informed, welcomed, and appreciated for any time that you do give back.. Sometimes one event per year is all a brother finds time to give.

This coming Lenten season is an excellent opportunity to give back by working at one or more of our fish fries. If your schedule is packed maybe arriving prior to 5:00PM to set up or arriving closer to 7:00PM near clean-up time is best. This year with the support of the council we are going to try something new by serving food at 5:00 PM instead of 5:30 PM. Opening at 5:00 PM will give more families the opportunity to come and enjoy the "Fish Fry Social Experience" then attend the Stations of the Cross held each Friday evening in the church.

We encourage newer knights to ask questions in order to learn more about our council and the KofC as a whole. Please, check the calendar of events for the next two months in this issue of the Cross and Compass for important upcoming dates.

On a related subject, I am often in amazement how I continually learn about all of the charitable activities knights in our council give back to our church and community. "We save lives and change lives." Your support is greatly appreciated.

Vivat Jesus!

Cary Wright

FISH FRY TIME

Friday March 11, 2011 will be our first Fish Fry of the Lenten Season. Every Friday of Lent, (except Good Friday) Council 7528 prepares delicious krab salads, clam chowder fish, fries and coleslaw. This is one of our major fund raisers and we need as many brothers as possible to help make it a success. There are plenty of opportunities to help from setup, cooking, serving and clean up. Please consider donating some of your time to this event. **This year we will be starting 30 minutes earlier 5:00pm to 7:00pm.** Set up crews and food prep is at 2:00pm, cooking at 4:15pm, serving at 5:00pm and clean up from 6:00pm to finish. If you're an old hand or a new member we need you all. Mark your calendars and plan to make this the best Fish Fry Season ever. Remember to invite your family and friends to come and enjoy the food and friendship. If you have any questions or want to volunteer please contact me at fish@kofc7528.org

Thanks. -----Tony

Hello Brothers,

This last month we had two gentlemen, Rick and Charles go through the first degree. Please help welcome them into the council at our next general meeting. On Saturday Feb 19 we had a good turn out for the free throw competition. We have the regional free throw competition at St. Vincent's on Saturday March 5th at 9AM. I would like to take this time to ask any brothers if they are interested in being a chairman to run a committee, or become more involved with the functions we put on. This would also be a good opportunity for a brother who has a specific topic of interest that they would like to chair to come forth.

Thanks for your time and all that you do.
Craig Patrick D.G.K.
